## November's Mission Focus - Angel Tree

The Angel Tree is an outreach of FUMC to local families who need help providing Christmas gifts for their children. This project was developed in response to several phone calls from families looking for assistance during the Christmas season in previous years.

If you know of a family that would benefit from The Angel Tree program, please share the gift request sign up sheet with them or direct them to the church office. Any family who feels they need assistance is welcome to submit a request, regardless of income requirements. Request forms are available on the missions table in the foyer as well as the church Facebook page and website. Forms are due back to the church by **November 23, 2020**.

November 1-30th, church attendees will be offered the opportunity to sponsor a child or family with a gift of any amount. Last year we were blessed with many generous donations and the families expressed sincere gratitude to the members of our congregation. This year for the safety of all during the Covid19 pandemic, we will only be collecting monetary donations for the ministry and designated shoppers will purchase the gifts for families. If you would like to help with shopping or distribution please contact Tina Forcier. Distribution will be drive up style on the morning of **Saturday, December 19th, from 9-11am**.

Thank you for your help spreading the word about this exciting new opportunity as well as participating in spreading the joy by sharing your gifts!

## Covid-19 Congregational Preparedness Plan

Safety Procedures and Expectations for Returning to In-Person Worship on November 1, 2020

After careful conversation, prayer, and planning, our C.A.R.E. Team has established the following procedures and expectations for resuming In-Person worship beginning on November 1, 2020. The decisions were based on guidelines and recommendations from the Center for Disease Control, the MN Department of Health, and the MN Annual Conference of the FUMC. With the understanding that we must remain safe as we open our church building once again, there will be the following expectations of all who choose to attend In-Person worship. (cont. on pg. 3)

### Dates to remember:

- Nov. 1** - Daylight Savings Ends
- Nov. 25** - Thanksgiving Eve Service
- Nov. 26** - Thanksgiving Day
- Nov. 27** -Office Closed

## From the pastor...

Dear Friends,

*St. Paul writes: "I am longing to see you so that I may share with you some spiritual gift to strengthen you—or rather so that we may be mutually encouraged by each other's faith, both yours and mine." –Romans 1:11*

These words of Paul's in his letter to the Church in Rome reminds us that this is not the first time Christians have had to encourage each other from a distance. In fact, we would not have any of Paul's letters – which make up almost a third of the New Testament – were it not for the fact that Paul was regularly separated from the congregations to which he ministered. This separation was not easy. And yet his powerful ministry to and with these early congregations continued, and their endurance witnessed to the power of the Holy Spirit. All of which helps me answer an understandable question as, from time to time, well-intentioned members will ask, "When will our church open again?"

Inspired by Paul and the early Christian communities to whom we are indebted, my immediate reply is, "We never closed!" Of course, I know these inquiries are about indoor, in-person Sunday worship, but it's important to remind each other that we're called to be God's Church seven days a week, not just on Sundays. I affirm you all, as I have witnessed you being the church, in many and various ways, throughout the pandemic. Yet, despite your ongoing expressions of care, compassion, and concern for one another, not being able to gather on Sundays, inside and in-person, has been hard. Very hard. On all of us.

This absence as a community of faith has been unexpectedly difficult with challenges both personal and communal while forcing us to be apart from each other for a longer period of time than any of us imagined. But, as with the Apostle Paul and Christians throughout history, and strengthened and supported by the Holy Spirit, we continue to be a place of hope, help, and healing. While extremely thankful for this, I can promise you that no one wants to look out over the sanctuary and see your smiling faces more than I do.

And we're preparing for that opportunity, soon. After thirty-two weeks of encouraging one another from a

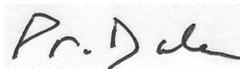

distance, our C.A.R.E. Team, on October 5, has recommended the resumption of indoor, in-person worship beginning Sunday, November 1. Our Church Council has added to the much careful and prayerful thought, consideration, and conversation that has gone into this decision. As a result, the decision has been made to re-open, even in light of increasing statewide positive Covid-19 cases and fatalities related to Covid-19. We will need to resume cautiously. We believe we can do so.

As Scripture reminds us again and again, we do not exist for ourselves, but for the world, and as our Lord taught us, the most important commandment is to love God by loving our neighbor. Our Covid-19 Congregational Preparedness Plan has been created for the purpose of carefully guiding us in our efforts to resume indoor, in-person worship. Out of the scriptural imperative to love our neighbor, all who choose to worship in-person will need to abide by the expectations in the Preparedness Plan. We expect all will do so. Thank you.

I want to acknowledge also, that we realize there will be members who continue to choose to stay home and worship. That choice is understood and respected. Even though some will choose to worship in-person, all Sunday services will continue to be livestreamed on our Church Facebook page, in order to worship at the same time, virtually. All recorded live videos will continue to be uploaded to our church website every Monday morning to be viewed at your leisure.

Please contact a member of our C.A.R.E. Team or me directly, if you have questions or concerns about this decision and how it may affect you or your family.

In God's Ongoing Grace and Mercy,

Pr. Dale

## Preparedness Plan cont.

First and foremost, if you are not feeling well or have a temperature, please remain at home.

1. All participants will be asked to wear a facial covering which includes the nose and mouth. If you do not have one with you there will be some available at the church door.
2. We ask that your facial covering remains on throughout the church service.
3. We ask you to use the hand sanitizer stations that will be provided and located at all entrances into the church and sanctuary.
4. We will enter only through the main east upper and north side parking lot doors.
5. Upon entry all will be asked to use sanitizer by the ushers at the door.
6. In order to contract trace, an usher will record your name and phone number.
7. Ushers will ask and advise those entering church to maintain a safe 6-ft distance and will advise all to enter and go directly to a seat location that is a safe distance from other church attendees.
8. The pews that will be in use will be clearly indicated.
9. Do not be offended if you are asked to relocate.
10. Immediate family members may sit next to one another if this is their regular persons of exposure.
11. No hymnals, bibles, or bulletins will be available. Service order and hymns will be projected on the front wall. If you are having trouble seeing the service order or hymn please relocate yourself in a safe location that makes this possible.
12. You may choose to sing (or hum) with the hymns, only while maintaining your facial covering.
13. Communion will continue to be provided by use of individually wrapped cups and wafers that will be distributed when you arrive.
14. No formal fellowship (coffee/treats) will occur at the end of the service. The fellowship hall will not be available for use. Any informal fellowship after worship will still require adequate physical distancing.
15. Sunday school classes and nursery services will be suspended until it is determined to be safe practice.
16. Restrooms will be available if necessary, however, the exterior doors are to remain open when the restroom is not in use. Only one person should use the restroom at any time. If the door is closed, the restroom is in use. Please remember to open and prop the door as you leave.

**Once again, it is advised that any persons who have underlying health issues, have a temperature or in a poor state of health, have been exposed to any persons with or is suspected of having the Covid-19 virus, or is placed in quarantine are asked to remain at home.** Worship will continue to be streamed live on our church Facebook page and posted on our church website for viewing the following week.

## Counters Needed

If you are looking for a position in the church that doesn't take a lot of time, then a role as an offering counter may be what you are looking for! Two more people are needed that would be willing to spend 30-45 minutes every 3-4 weeks right after the church service. There are always two people scheduled to count each week. We will train! If you are interested or would like more information, please contact Linda Ploog 612-616-5657.

## New Worship Coordinator

We would like to officially acknowledge Bret RempelEwert as our new Worship Coordinator, beginning November 1. After Beth Lunsford resigned from this position last Spring, Bret has unofficially stepped up to resume the duties of the position. He did so skillfully and faithfully throughout the Summer months and now into the Fall. Bret has agreed to formally serve in this role moving forward. His main duties will be to schedule worship leaders for each Sunday of the month and to select music and schedule rehearsals for the praise team. Our Staff Parish Relations Committee, Pastor Dale, and our whole congregation is grateful. Thank you, Bret!

## Pastor's Report

General Pastoral Care continues to be challenging as it is still not safe or advised to meet with people in their homes. Much of my ongoing pastoral care has been over the phone, occasional in-person at the church, calling on members to check-in, or briefly in person on Sunday mornings before/after drive-in/outdoor worship. I ask any members wishing to talk to me or pray with me to call me at any time. I have ongoing Zoom meetings with area clergy for advice, support, and encouragement. Despite how we have all had to adjust to the Covid-19 restrictions, as a Community of Faith, I have been so pleased to see how our congregation has stepped up and cared for one another. Thank you!

Meeting was adjourned by a closing prayer.
