### Mission Focus:

May is Foster Care Awareness month! On any given day, there are over 11,000 children in foster care in MN. Most of these children enter foster care with only the clothing on their backs. This puts them in an awkward situation having to ask strangers for personal items such as a toothbrush or underwear during an already stressful time. Foster families must provide for their needs with little or no notice. The Safe Haven Foster Shoppe is a local non-profit that provides essentials to children in foster care, helping to support these children and their foster families.

Essential items can include backpacks/diaper bags, socks, underwear, clothing, pajamas, shoes, jackets, toiletries, blankets, school supplies, and entertainment items. The bags provided are unique in that they are age, gender and size specific. Safe Haven Foster Shoppe hand delivers each and every bag donated to the children through a network of private and county agencies or directly to foster homes. Bags are provided as they are needed, usually within 24 hours of placement.

You can help!

1. Donate by indicating Safe Haven Foster Shoppe or Missions with the amount on your May giving. Just \$75 can fill an entire bag of items handpicked by staff, providing a child of any age from infant to teen with all the items they will need to transition well.
2. Purchase essential items to be distributed through Safe Haven Foster Shoppe as they are needed. Donate these items in the bin next to the food shelf donations in the foyer or at the Safe Haven Foster Shoppe Headquarters in downtown Lindstrom.
3. Volunteer your time by signing up online at <https://safehavenfostershoppe.org/volunteer/> or joining the "Safe Haven Foster Shop volunteer's group" on Facebook. Just 2 hours of your time makes an impact! Choose a time to serve that's convenient for your schedule.

**Minnesota**  
**Annual Conference**  
of the United Methodist Church

April 14, 2022

Dear First United Methodist Church of Lindstrom,

On behalf of Bishop Bard and the cabinet of the Minnesota Annual Conference, I want to thank you for paying 100 percent of your 2021 apportionments! In partnership with other congregations around the world your generosity has provided resources for clergy and congregational ministries as well as local and global missions. This denominational giving is truly, “a portion meant” for United Methodist work and witness that no one individual, no one church could accomplish alone.

These past two years you have ministered in extremely challenging times. The global pandemic caused great loss, pain, and grief, damaging the economic and social fabric of our society. We have been challenged on all fronts even now watching our siblings in Ukraine fight for their very lives. Yet, we step out as United Methodists to help heal the broken places in our world. We are also challenged to envision and embody church in new and nimble ways and to remain faithful to our call even as our own denomination heads into separation.

I am awed by the creativity and commitment of our Big Waters District congregations. As United Methodists, we faithfully strive to make disciples of Jesus Christ for the transformation of the world – disciples that are growing in love of God and neighbor, reaching new people, and healing a broken world. Your apportionment contributions provide the leadership, systems, training, and support for this vision to bear fruit in and through our local churches. Yes, we’re in this together and together we are making a difference!

I know such dedication does not happen without setting clear priorities, cultivating strong stewardship, and making challenging financial decisions. Thank you for your leadership! Thank you for the impactful ministry in which you are engaged! It is an inspiration to serve with you as a partner in offering Christ’s light and love.

With joy and appreciation,

Rev. Susan Nienaber  
Big Waters District Superintendent

# New Committee Opportunities!

The First Methodist administrative council approved a bit of restructuring of our church committee to improve ministry activities key to the life of the church. Four new committees have been approved to accomplish the work of: outreach, adult discipleship, children’s ministry, and worship. Of course those activities are and have been functioning all along, but without much coordination with the greater church governance.

In order to kickstart these activities, four short meetings are scheduled, one for each ministry area. Pastor Chris and ad council chairman Terry Kopp, will attend and introduce the charge for each committee. We will ask for all interested individuals to join in the ongoing work of that area. All of our congregation is invited to attend any or all of the meetings.

## Meeting times:

**Worship: Tuesday, May 3, 6pm**

**Outreach: Tuesday, May 3, 7pm**

**Children’s: Wednesday, May 11, 6pm,**

**Adult Discipleship: Wednesday, May 11, 7pm**

Our confirmation class is wrapping up this May. We will have two students being confirmed on May 8th during our Sunday worship service.
